## LA PÉRGOLA REVOLUTIONIZES THE NIGHT OF THE COAST OF CADIZ

*The bar La Pégola, located inside the hotel Valentin Sancti Petri, is open every day from 18:00 to 00:00 hours.*

On July 7, 2023. Following in the wake of the great hotel restaurants, bars and cocktail bars in our country are undergoing a real revolution. Until a few years ago, nobody considered that prestigious restaurants were located inside hotels, although this was the norm in the most cosmopolitan cities in the world, such as London, New York or Paris. However, they now top the list of the best restaurants in Spain.

After them, it is the turn of bars and cocktail bars, which are born as a point of sale of hotel establishments and are consolidated as spaces open to all residents and tourists in the area.

That is what is happening to the new cocktail bar La Pégola, which has opened its doors inside the emblematic hotel Valentin Sancti Petri. It is a beautiful bar with terrace, whose design has been inspired by the classic bars of the twentieth century.

### **The cocktail revolution arrives in Cadiz:**

The cocktail menu of La Pégola is a statement of intent. From minute one you can see the desire of this local Cadiz to attract the resident public and national and international tourists, looking to fill the summer nights of glamor.

To achieve this, this ambitious proposal starts with a selection of "Pool visual drinks" (12 euros), in which the aesthetic claims to be present in the art of cocktails with titles as suggestive as 'Moscow Mule', 'Thinking about you', 'Grab & Go Daiquiry' and 'Wocktail'.

For those who love to party and get together with friends, La Pergola has created 4 "Fun & Lifestyle Cocktails" (12 euros), each of them dedicated to one of the main characters of the legendary series "Sex & the City": 'Samanta's Cosmopolitan', 'Carrie's Mojito', 'Miranda's Flirtini' and 'Charlotte's Alarm Clock'.

From there, La Pégola's suggestions go into a wide range of cocktails, ranging from "Signatures Long Drinks" (12 euros) for the most classic ones; to formats to share such as "Sharing is caring" (16 euros); going through absolutely healthy formulas such as the cocktails 'Berry Rosemary' and 'Exotic Summer' of the option "Be active, Be healthy, Be Happy" (9 euros).

The always demanded "Aperitifs" (9 euros) such as the 'Aperol' or the 'Negroni' are not left behind; nor are the "Refreshing classics" (10 euros) such as the 'Margarita' or the 'Piña Colada'; or the "Tropical" cocktails (10 euros), which are presented in 'frozen' format to face the warm nights of Cadiz.

The menu of La Pégola concludes with two fun creations: the "Restorative and nutritious" cocktails (9 euros) such as the 'Bloody Mary'; and the "Liquid desserts" (9 euros), ideal to end a dinner with an 'Expresso Martini', a 'Brandy Alexander' or a 'Porn Star Martini'.

## **Class and style in a sophisticated outdoor terrace with musical performances:**

La Pégola is distributed in two spaces. On the one hand it has a beautiful classic bar, whose design aims to be a tribute to the classic cocktail bars of the twentieth century.

And is that the common thread of the reform project of all the noble areas of the Valentin Sancti Petri has been a journey through time, which goes into the roots of Cadiz, when the lucrative trade with the Indies turned the Tacita de Plata in one of the most advanced cities of our country.
