June 7, 2023. The season has just begun and the awards are starting to arrive to what for many is considered one of the most emblematic resorts on the coast of Cadiz: the Valentin Sancti Petri.

Thus, the well-known establishment, which has 549 rooms and is located in front of the wonderful La Barrosa Beach, has just won the "Red Star Quality" award, which the German tour operator Der Touristik awards every year to what it considers to be the 100 best hotels in its portfolio.

The choice is made on the basis of different criteria, but the opinion of the wholesaler's clients on the services and facilities of the award-winners plays an important role.

According to Miguel Angel Mayol, managing director of Valentin Sancti Petri, "we are very proud to receive this award, because it recognizes the great efforts we have made in recent years to modernize our offer and make it one of the best in the area. In addition to renovating a large part of our common areas, we have incorporated a first-class complementary offer, both in terms of gastronomy and daytime and nighttime entertainment, as well as sports and business activities. In this regard, it is worth remembering that the renovated Valentin Sancti Petri Convention Center is the largest in Cadiz, and can host events for up to 1,200 people".
