

## VAVÁ PLAYA LA BARROSA PRESENTS ITS NOVELTIES FOR SUMMER 2023

**Considered one of the best beach club restaurants on the coast of Cadiz, it has opened the season with new gastronomic specialties and a selection of "a la carte" experiences to enjoy its Balinese beds and designer hammocks.**

*The success of VAVÁ Playa La Barrosa (Sancti Petri, Cádiz) lies in its front line location; in its beautiful sustainable design; in its exquisite gastronomic offer and in its program of live performances with national and local artists.*

As of June 28, 2023, VAVÁ Playa La Barrosa could be defined as a chameleonic local, and it is a product that is able to satisfy a very varied public. Located on the front line of the beautiful Barrosa Beach (Sancti Petri, Cádiz), it is frequented both by those who want to spend a pleasant day on the Costa de la Luz, sunbathing and eating simple and relaxed dishes in an elegant and sophisticated atmosphere; and by those who seek to enjoy a gastronomic experience of the highest level, while listening to live music and having the best sunsets of Cádiz as a background.

**A renewed menu in which the classics are maintained:**

VAVÁ Playa La Barrosa was born as an elegant design beach club, absolutely respectful with the environment; and also as a gastronomic proposal of fusion and high level.

Six years after its opening, it has established itself as a restaurant with a disruptive menu that combines specialties ideal for eating in front of the sea with haute cuisine dishes.

Thus, its menu includes VAVÁ Playa La Barrosa classics such as its famous "Shrimp tacos" with guacamole, wakame seaweed and prawns with chili, which are a hit with its most loyal customers, or the recently incorporated "Mar de Cádiz" salad, which is accompanied by sea shells, seaweed mayonnaise and marine plankton; and gourmet treats such as the "Grilled Tomahawk (1.2 kg. )" or the "Angus beef chuck-flap" made with Jospier, or the "Bluefin tuna belly", among many others.

**Live performances by national and local artists:**

When the sun dyes the beaches of Cadiz orange, and the sunset is strong on the coast of Cadiz, music floods VAVÁ Playa La Barrosa. Sometimes with DJ sessions or jazz recitals by saxophonists; others with concerts by national artists such as the 80's pop groups "Calavera Motet", "Sin llaves", "Turbo bikini", "Hombre de papel" and "Palo Rosa", among others; and also with flamenco performances by local groups such as "Agüita fresca". Check the dates of the different concerts in the agenda of the VAVÁ website.
